## **CPI PROPERTY GROUP – Acquisition of homes in Notting Hill**

CPI PROPERTY GROUP today announced the acquisition of seven homes at West Village, a development of contemporary homes in Notting Hill, London, W11.

Completed in 2017, West Village consists of nine homes built to a high specification with a minimum of three bedrooms and secure underground parking. The Notting Hill neighborhood is one of the most famous and highly sought-after areas of London, where recently constructed homes are less common.

“The seven homes at West Village were acquired by CPIPG for an attractive price, are fully let, and should benefit from strong rental demand for many years to come” said Martin Nemecek, CEO of CPIPG. “While we can continue to consider future UK investments, CPIPG’s pipeline of potential acquisitions for the rest of 2019 is primarily focused on expanding our existing platforms in the CEE region.”
